## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Greeleyville Elementary School has an active School Improvement Council. During the school year of 2009-2010, the council met monthly to plan and discuss issues surrounding the school. Greeleyville Elementary is a community that involves and values the support of parents, business partners, volunteers, and community persons. With the responsibility of preparing our children to be successful citizens, true dedication is employed. Realizing that all students can learn, Greeleyville Elementary continues to implement a standard-driven curriculum with research-based initiatives. As we prepare our students for the world of technology, all of our classrooms are equipped with promethean boards, which allows students to experience technology at an extensive level. We also continue to implement the following initiatives: Title I Tutoring, Standards in Practice, Accelerated Reader, Academy of Reading/MathLab, SuccessMaker Lab, Character Development, Positive Behavior, program and a very strong Parenting program.

Greeleyville Elementary has a staff that is competent and devoted to the assurance of the success of our children. The following staff development workshops and activities were held this school term: Team Building, Positive Behavior Support (PBIS), Grade Level Presentations, Data Analysis, Integrating Technology for Effective Lessons, Teachers Coaching Teachers, Title I Overview, PASS Parenting Workshops, and Measures of Academic Progress (MAP) Training.

All the hard work contributed by our staff, parents, business partners, community members, and students is the main ingredient that made 2009-2010 a successful school year at GES. "Many Minds, Many Hands, One Goal, Education" is our motto. This is a collaborative effort to which everyone contributed.
